

DxPx Partnering+ presents:
China Spotlight @DxPx

OUR GOAL

Together with our valued partners from Hongkong we want to further improve business relations between China and Europe and help to facilitate market entry for ambitious European Companies that are looking to expand their business to Asia or vice versa.

YOUR OPPORTUNITY

Eight innovative Growth Companies present their business in front of a relevant audience of respected Chinese Investors to find financial or strategic partners and establish their products adjusted to the Chinese market.

YOUR BENEFITS

- » Sit in the first row when ground-breaking technologies get revealed on our DxPx stage.
- » Meet European businesses that are actively looking for partners from China.
- » Discover the next investment opportunity for yourself.
