“ After two very successful DxPx Conferences in Europe we are excited to bring the concept to the US for the first time. DxPx is the only partnering event dedicated to diagnostics, precision medicine and research tools and we look forward to meeting with industry participants and participating in compelling panel discussions.

CHRISTOPH BRANDENBERGER, *Brown Gibbons Lang & Company LLC*

“ We are excited to see that the DxPx Conference will also be held in the U.S. this year. We have made a lot of great connections through the European event and look forward to the first-ever US version of this great partnering conference.

ANGUS MCQUILKEN, *McDermott Will & Emery*

Event Agenda.

FIVE DAYS DIGITAL

Our concept remains the same: enable partnering between world-class investors and growth companies, complemented with unique discussion panels. As promised, our 2021 **DxPx US** edition has gone fully virtual with an expanded format of five 12-hour days to accommodate partnering meetings all over the world. It will include on-demand early access to the company pitches, program sessions, and sponsor and showcase company content up to five weeks prior to the live event for the best possible networking and meeting decisions once partnering begins.
