# DxPx EU – Our Flagship.

## ONE CONFERENCE – NUMEROUS PARTNERING OPPORTUNITIES.

- Meet global leaders, investors & innovative growth companies from 30+ countries
- Explore financing, licensing and M&A partnerships in pre-scheduled one-to-one meetings
- Exhibit and promote your business with an own booth – be quick, limited spaces available

### Meet.

Set up your personal itinerary by pre-scheduling one-to-one meetings with growth companies, investors and decision makers from Diagnostic, Digital Health, Precision Medicine and Life Science Tool companies.

### Discuss.

Learn from active family offices, venture capitals, private equity, strategic investors and industry experts who share their experiences and strategies.

### Exhibit.

Promote your company to industry executives and showcase products at your booth to get the most out of your DxPx attendance. The company presentations and contacts will also be made available digitally.

### Pitch.

Submit a pitch that will be reviewed by our executive jury. The best applicants will be invited to pitch their business and compete for \$2,000,000 funding at our 42PLUS1 Pitch Award.

## Don't only take our word for it.

DxPx was the perfect conference for our focused interest in novel in vitro diagnostics technologies. We made many valuable connections and left with several deal opportunities!

**DR. ROBERT FELDMAN**, New Zealand, Head of CS Ventures

Great to participate in a conference in Europe with such a strong attendance by diagnostics and life science tools players. The well-organized partnering activities made the networking very efficient.

**JOEY MASON**, Netherlands, Vice President of Merck Ventures
